

8th Annual Conference on

MINING TECHNOLOGY IN INDIA

Needs and Requirements, Best Practices and New Technologies

March 12-13, 2019, Shangri-La's The Eros, New Delhi

"Early Bird" discount ends on February 21, 2019

"Register Now" and save 20 per cent

MINING TECHNOLOGY IN INDIA

The mission of this conference is to focus on:

- ❖ Current state of technology deployment
- ❖ Emerging needs and requirements of the Indian mining sector
- ❖ Recent global advances and best practices
- ❖ Potential solutions for enhancing efficiency and productivity of domestic mining operations

Target Audience

The conference is targeted at top- and middle-level managers from:

- Coal producing/mining companies
- Iron-ore producing/mining companies
- Other metallic-ore producers
- Producers/miners of non-metallic minerals
- Mineral development corporations
- Drilling and blasting equipment manufacturers
- Power producers
- Steel manufacturers
- Excavation and loading equipment manufacturers
- Crushing and grinding equipment manufacturers
- Policymakers and regulators
- Modelling solution providers
- Equipment leasing and finance companies
- Mining engineers and geologists
- Safety solution providers
- Inspection agencies
- Other technology providers
- Pump manufacturers, etc.

Previous Participants

The organisations that have participated in our previous conferences on "Mining Technology In India" include ABB, ACB, ACC, Adani Mining, Aditya Birla, AECOM, Aggreko, APMDC, Andritz, Ashok Leyland, Atlas Copco, Australian Trade Commission, Balasore Alloys, BASF, BEML, Bentley Systems, Bharat Forge, Brunel India, CAEZEN Technologies, Capstone Geoconsultants, Castrol, Caterpillar, Central Institute of Mining & Fuel Research, Central Mine Planning & Design Institute, Central Pollution Control Board, CLP Power, Coal India, CMPDI, Cummins India, Deloitte, Dextra, DSP Merrill Lynch, DuPont, Eastern CoalFields, EDF, EDS Technologies, EICL, Elmco Elecon, Elecon EPC, Elliot Geophysics, Engineers India Limited, Epiroc Mining, ERM Consultants, Ernst & Young, Essel Mining, Exxon Mobil Lubricants, FL Smidth, Fugro Geotech, Gates India, GE Transportation, Geo Constech, Gmmco Limited, Government of Western Australia Trade and Investment Office, GSECL, Hazemag, High Commission of Canada, Hindalco Industries, Hindustan Copper, Hitachi, Hyundai Construction Equipment India, IIT-ISM Dhanbad, ILF Asia Pacific and Emerging Markets, IMFA, Indian Rare Earths, Indu Projects, Infotech Enterprises, Inspectorate Griffith, Institute of Minerals & Materials Technology, Jaypee Group, JCB India, Jenissi Management Consultants, Jindal Steel & Power, Keltech Energies, Kennametal India, Kirloskar Brothers, KSK Minerals, Lanco Infratech, Larsen & Toubro, Maaden, Maccaferri, Magnum Minerals, MAN Trucks, Marsh India, Metso Minerals, Mineral Exploration Corporation Limited, Ministry of Coal, Ministry of Mines, Geological Survey of India, Modular Mining System, Monnet Ispat & Energy, Nalco, National Council for Cement and Building Materials, NEERI, Neyveli Lignite Corporation, Nina Concrete, NMDC, Normet Underground Solutions, North East Coal Corporation, Northern Coalfields, NTPC, Oriental Rubber, Polycab Wires, PRD Rigs, PTC, Putzmeister Solid Pumps GmbH, PWC, Queensland Government - Australia, Rashtriya Ispat, Rio Tinto, Roto Pumps, Safire Capital Advisors, Sandvik, Sasan Power Limited - Reliance, Shree Cement, Siemens, Singareni Collieries, South Eastern Coalfields, Strategic Decisions Group, TAM Construction Chemicals, Tata Steel, Technip, Tenova Delkor, THDC, Thless India, Thrivenl Earthmovers, ThyssenKrupp Industries, TIL, Trade and Investment Queensland, TMEIC, Tractors India, Trafalgar EPC, Utkal Alumina International, VE Commercial Vehicles, Vedanta, Virginia Mining Resources, Volvo India, Weir Minerals, Western Coalfields, Wipro, Xylem Water Solutions, etc.

Organisers

The conference is being organised by **India Infrastructure Publishing**, the leading provider of information on the infrastructure sectors through magazines, newsletters, reports and conferences. The company publishes **Indian Infrastructure** and **Power Line** magazines. It also publishes a series of reports on infrastructure/energy sectors including **Mining Equipment Market**, **Mining in India** and **Coal-based Power Generation**.

AGENDA/STRUCTURE

KEY TRENDS AND OUTLOOK

- ❖ What is the state of the mining sector in India?
- ❖ What are the recent trends and developments with regard to technology deployment?
- ❖ What are the key issues and challenges? What is the outlook?

FOCUS ON COAL MINING

- ❖ What are the most prevalent technologies in use for coal mining?
- ❖ What has been the experience so far? What are the key issues and challenges?
- ❖ What are the future needs and requirements?
- ❖ What are the recent global advances?

MINING OF METALLIC AND NON-METALLIC MINERALS

- ❖ What are most prevalent technologies in use for the mining of metallic and non-metallic minerals?
- ❖ What has been the experience so far? What are the key issues and challenges?
- ❖ What will be the impact of the Draft National Mineral Policy, 2018 on the mining sector in general, and on technology deployment in particular?
- ❖ What are the future needs and requirements?

GOVERNMENT PERSPECTIVE

- ❖ What have been the key policy developments in the mining industry?
- ❖ What steps is the government taking to encourage the adoption of new technologies and automation in the mining industry?
- ❖ What policy developments can be expected in the near future?

MDO PERSPECTIVE

- ❖ What are the new technologies that mine developers and operators (MDOs) are currently using or considering?
- ❖ What has been the experience so far in the adoption of these technologies?
- ❖ What are the key issues and challenges faced in technology adoption?

CUSTOMER PERSPECTIVE

- ❖ What are the key emerging customer requirements with respect to mining technology and automation?
- ❖ Which new technologies are the companies currently using or considering?
- ❖ What are the key challenges? What are the expectations from technology providers?

SURVEY AND EXPLORATION

- ❖ What are the key technologies and solutions available for analysis of geological, geophysical and geochemical data?
- ❖ What has been the experience so far?
- ❖ What are the key issues and challenges? What is the future outlook?
- ❖ What are the global advancements? What are the key lessons for India?

DRILLING AND BLASTING

- ❖ What are the key technologies and solutions available for drilling and blasting?
- ❖ What has been the experience so far?
- ❖ What are the key issues and challenges? What is the future outlook?
- ❖ What are the global advancements? What are the key lessons for India?

CRUSHING AND CONVEYING

- ❖ What are the key technologies and solutions available for crushing and conveying?
- ❖ What has been the experience so far?
- ❖ What are the key issues and challenges? What is the future outlook?
- ❖ What are the global advancements? What lessons can be learnt for India?

TRANSPORT AND LOGISTICS

- ❖ What are the key technologies and solutions available for transport and logistics?
- ❖ What has been the experience so far?
- ❖ What are the key issues and challenges? What is the future outlook?
- ❖ What are the global advancements? What are the lessons for India?

SURFACE MINING

- ❖ What are the key technologies and solutions available for surface mining in India?
- ❖ What has been the experience so far?
- ❖ What are the key issues and challenges? What is the future outlook?
- ❖ What are the global advancements? What are the lessons for India?

UNDERGROUND MINING

- ❖ What are the key technologies and solutions available for underground mining in India?
- ❖ What has been the experience so far?
- ❖ What are the key issues and challenges? What is the future outlook?
- ❖ What are the global advancements? What are the key lessons for India?

MINE SAFETY

- ❖ What are the key technologies and solutions available for improving mine safety?
- ❖ What has been the experience so far?
- ❖ What are the key issues and challenges? What is the future outlook?
- ❖ What are the global advancements? What lessons can be learnt for India?

MINE DESIGN AND PLANNING

- ❖ What are the different types of technologies and equipment available for mine design and planning?
- ❖ What has been the experience so far?
- ❖ What are the key issues and challenges? What is the future outlook?
- ❖ What are the global advancements? What lessons can be learnt for India?

CYBERSECURITY AND SAFETY

- ❖ What are the key cybersecurity risks in the mining industry?
- ❖ What are the systems and solutions that can help the companies secure themselves?
- ❖ What are the key issues and challenges? What is the future outlook?
- ❖ What are the global advancements? What lessons can be learnt?

WASTEWATER TREATMENT AND MANAGEMENT

- ❖ What are the different types of technologies and equipment available for water and wastewater treatment?
- ❖ What has been the experience so far?
- ❖ What are the key issues and challenges? What is the future outlook?
- ❖ What are the global advancements? What lessons can be learnt?

COMMUNICATION SYSTEMS

- ❖ What are the different types of communication technologies and solutions available in mines?
- ❖ What has been the experience so far?
- ❖ What are the key issues and challenges? What is the future outlook?
- ❖ What are the global advancements? What lessons can be learnt?

GREEN/SUSTAINABLE MINING

- ❖ What are the green/sustainable mining technologies being used to ensure adherence to environmental norms and standards?
- ❖ What has been the experience so far?
- ❖ What are the key issues and challenges? What is the future outlook?
- ❖ What are the global advancements? What are the lessons for India?

PUMPING SOLUTIONS

- ❖ What are the different types of pumps and pumping technologies, and solutions available in mines?
- ❖ What has been the experience so far?
- ❖ What are the key issues and challenges? What is the future outlook?
- ❖ What are the global advancements? What lessons can be learnt?

NEW TECHNOLOGIES: NEEDS, REQUIREMENTS, CHALLENGES AND OPPORTUNITIES

This session will cover the following technologies:

- ❖ VIRTUAL SIMULATION
- ❖ ARTIFICIAL INTELLIGENCE AND ROBOTICS
- ❖ IOT, BIG DATA AND CLOUD COMPUTING
- ❖ ENTERPRISE SOLUTIONS
- ❖ REMOTE SENSING AND GIS

- What are the key applications of these technologies in the mining industry?
- What specific benefits can the industry draw through these technologies?
- What are the issues and concerns?
- What has been the experience globally? What are the lessons for India?

MINING TECHNOLOGY IN INDIA

Needs and Requirements, Best Practices and New Technologies

March 12-13, 2019, Shangri-La's The Eros, New Delhi

Registration Form

I would like to register for the conference. I am enclosing Rs _____ vide cheque/demand draft no. _____ drawn on _____ dated _____ Company GST No. _____ in favour of **India Infrastructure Publishing Pvt. Ltd.** payable at New Delhi.

Please send wire transfer payments to:

Beneficiary	India Infrastructure Publishing Private Limited	Bank Account No.	094179587002
Bank Name	The Hongkong and Shanghai Banking Corporation Ltd	Swift Code	HSBCINBB
Bank Address	R-47, Greater Kailash-1, New Delhi-110048, India	IFSC Code	HSBC0110006

Sponsorship opportunities are available

Name(s)/Designation _____

(IN BLOCK LETTERS) _____

Company _____

Mailing Address _____

Phone _____ Mobile _____

Fax _____

E-mail _____

Registration Fee

Delegates	Discounted fee (before February 21, 2019)				Fee without discount (after February 21, 2019)			
	INR	GST @ 18%	Total INR	Total USD	INR	GST @ 18%	Total INR	Total USD
One delegate	20,000	3,600	23,600	393	25,000	4,500	29,500	492
Two delegate	32,000	5,760	37,760	629	40,000	7,200	47,200	787
Three delegate	44,000	7,920	51,920	865	55,000	9,900	64,900	1,082
Four delegate	56,000	10,080	66,080	1,101	70,000	12,600	82,600	1,377

- There is a 20 per cent "early bird" discount for those registering before February 21, 2019.
- Registration will be confirmed on the receipt of payment.
- To register online, please log on to <http://indiainfrastructure.com/conf.html>

Payment Policy:

- Full payment must be received prior to the conference.
- Conference fee includes lunch, tea/coffee and conference material.
- Payments for "early bird" registrations should come in before the last date of discount. Discount offers cannot be combined with any other offer.
- Conference fees cannot be substituted for any other product or service being extended by India Infrastructure Publishing Pvt. Ltd.
