# ENVIRONMENTAL MANAGEMENT IN INFRASTRUCTURE

## Table of Contents (Release date: March 14, 2011. Number of pages: 318)

### 1. OVERVIEW .....

- Introduction
- Infrastructure Goals and Achievements
- Environmental Performance So Far
- Environmental Policy and Regulatory Framework
- Environmental Requirements for Infrastructure Projects
- Key Requirements for Operational Projects
- Analysis of Project Clearances
- Analysis of Successes and Best Practices
- Analysis of Failures
- Future Outlook
- Issues and the Way Forward
- Conclusion

### 2. POLICY AND REGULATION .....

- Introduction
- Institutional Set-up
- Legal Framework
- Policy Framework
- Dispute Resolution
- Environment Due Diligence
- Forest Clearance
- Other Key Policy Developments
- Experience So Far
- The Way Forward

### 3. ENVIRONMENT MANAGEMENT IN POWER .....

- Introduction
- Industry Structure
- Size and Growth
- Policy and Regulatory Framework
- Environmental Policy and Regulatory Framework
- Status of Key Projects Under Development
- Select Best Practices in Environmental Impact Assessment
- CEA Benchmarks for Environmental Management
- Environmental Performance of Operational Projects
- Mitigation Measures and Best Practices
- Selected Case Studies
- The Way Forward

### 4. ENVIRONMENT MANAGEMENT IN MINING .....

- Introduction
- Industry Structure
- Size and Growth
- Environmental Policy and Regulatory Framework
- Status of Clearances for Projects Under Development
- Best Practices in Environmental Impact Assessment
- Environmental Performance of Operational Projects
- Mitigation Measures and Best Practices
- The Way Forward

### 5. ENVIRONMENT MANAGEMENT IN PORTS .....

- Introduction
- Industry Structure
- Size and Growth

- Environmental Policy and Regulatory Framework
- Status of Clearances for Projects Under Development
- Select Best Practices in Environmental Impact Assessment
- Environmental Performance of Operational Projects
- Mitigation Measures and Best Practices
- Case Studies
- The Way Forward

### 6. ENVIRONMENT MANAGEMENT IN OIL AND GAS .....

- Introduction
- Industry Structure
- Size and Growth
- Policy and Regulatory Framework
- Environmental Policy and Regulatory Framework
- Status of Key Projects Under Development
- Select Best Practices in Environmental Impact Assessment
- Environmental Performance of Operational Projects
- Mitigation Measures and Best Practices
- Case Studies
- The Way Forward

### 7. ENVIRONMENT MANAGEMENT IN ROADS AND HIGHWAYS .....

- Introduction
- Industry Structure
- Size and Growth
- Environmental Policy and Regulatory Framework
- Status of Clearances for Projects Under Development
- Select Best Practices in Environmental Impact Assessment
- Environmental Performance of Operational Projects
- Mitigation Measures and Best Practices
- Selected Case Studies
- The Way Forward

### 8. ENVIRONMENT MANAGEMENT IN AIRPORTS .....

- Introduction
- Industry Structure
- Size and Growth
- Policy and Regulatory Framework
- Environmental Policy and Regulatory Framework
- Status of Clearances for Key Projects Under Development
- Select Best Practices in Environmental Impact Assessment
- Environmental Performance of Operational Projects
- Mitigation Measures and Best Practices
- Selected Case Study
- The Way Forward

### 9. APPENDIX .....

## “Environmental Management in Infrastructure” Report: List of Tables

Sector-wise Investments in the Tenth and Eleventh Plans  
 Environmental Legal Framework  
 Classification of Infrastructure Projects Requiring Environmental Clearance  
 Status of Project Clearances (as on February 22, 2011)  
 Number of Days Taken by MoEF to Grant Clearances (as on February 22, 2011)  
 Investments Planned for Infrastructure Development in the Next Five Years  
 Minimum Fly Ash Content for Building Materials Targets for Utilisation of Fly Ash for TPPs  
 National Ambient Air Quality Standards  
 Ambient Air Quality Standards in Respect of Noise  
 Key Sectoral Policies Focusing on Environment  
 Timelines of Prior Environmental Clearance for New Projects  
 Transmission Lines and Substations as on March 31, 2010  
 Policies Influencing Power Sector  
 Notifications Issued Under Environment Protection Act, 1986, Impacting the Power Sector  
 Thermal Power Projects have been Classified under Two Categories  
 Hydro Power Projects have been Classified under Two Categories  
 Land Requirement for Power Plants in India (acres)  
 Evaluation Criteria for Award Scheme by CEA  
 Area-wise Absolute CO<sub>2</sub> Emissions in India (million tonnes per annum)  
 Standards for Liquid Effluent Discharge for Thermal Power Plants  
 Emissions Standards for Thermal Power Plants (Category 'A')  
 Emissions Standards for Thermal Power Plants (Category 'B')  
 Stack Height Limits for Thermal Power Plants  
 Mahagenco's Installed Thermal Capacity, Coal Needs and Ash Utilisation  
 Revised Ash Utilisation Targets by Mahagenco  
 Mineral Production of Key Mining Companies  
 Number of Mines Reporting Production  
 Production of Key Minerals  
 Index of Mineral Production  
 Production of Key Metals  
 Key Features Pertaining to Environment in Various Mining Acts and Rules  
 Classification of Mining Projects as per EIA Notification dated September 14, 2006  
 State-wise Status of Environment Clearances in Mining (as of February 22, 2011)  
 GHG Emissions by the Mining (Metals and Minerals) Industry ('000 tonnes)  
 Change in Land Use Pattern in Singrauli  
 Status of Affected Area of Land in Jharia Coalfield Region  
 Change in Land Use Pattern in Two Regions in Orissa  
 Water Forfeited to Mining Activities  
 Select Instances of Air and Water Pollution Caused

by Mining Operations  
 State-wise Details of Major and Non-Major Ports in India  
 Key Central Government Institutions Impacting the Port Sector  
 Cargo Traffic Handled at Indian Ports During 2005-10 (mt)  
 Share of Different Commodities in Total Traffic at Major Ports during 2005-10 (%)  
 Basic Infrastructure at Major Ports (as on March 31, 2010)  
 Environmental Acts/Legislations Governing the Ports Sector in India  
 Details of Key Central Level Policies Impacting the Port Sector  
 Classification of Port Projects as per EIA Notification dated September 14, 2006  
 CRZ Classification of Coastal Stretches within 500 m of High Tide Line  
 General Guidelines on CRZ and Environment Clearance Requirements for Marine Terminals  
 Greenhouse Gas Emissions by Source, from the Ports Sector in 2007 ('000 tonnes)  
 Distance Between Select Adjacent Ports  
 Comparison of Orissa's Non-Major Port Sites and IIT Study Recommendations  
 Relationship Between Impact Sources and Environmental Parameters in the Port Sector  
 Infrastructure at MPSEZL (as of November 2010)  
 Key Ongoing Projects of MPSEZL (as of December 2010)  
 Estimated Area Under JNPT Oil Spill  
 Snapshots of NELP  
 Regulatory Structure of Oil and Gas Industry in India  
 Acts/Rules Governing the Oil and Gas Sector in India  
 Policies Influencing the Oil and Gas Sector  
 Environment-related Policies in Oil and Gas Sector  
 CH<sub>4</sub> Estimates from Oil and Natural Gas Systems  
 Standards for Liquid Effluent-Onshore plants  
 Toxic Limit Marine Disposal-Onshore plants  
 Discharge Standards-Onshore plants  
 Environmental Standards for Petroleum Oil Refineries  
 Standards for Emissions from Petroleum Oil Refineries  
 Standards for Disposal of Solid Wastes  
 Effluent Generated, Recycled and Discharged in IOCL Refineries (2008-09)  
 Effluent Quality Data at IOCL Refineries (2008-09) (mg per litre except pH)  
 IOCL Refineries – SO<sub>2</sub> emissions  
 Growth in National Highways  
 Details of NHDP  
 GHG Emissions by the Road Transport Sector in 2007 ('000 tonnes)  
 CO<sub>2</sub> Emissions from Four Key Road Projects of ADB  
 GHG Emissions of ADB's Road Portfolio in 2008  
 Carbon Footprint of Road Projects under NHDP (as

on December 31, 2010)  
 Carbon Footprint of Rural Road Projects under PMGSY (as on November 30, 2010)  
 Carbon Footprint of Road Projects under SARDP-NE (as on November 30, 2010)  
 Energy Consumption in the Road Sector  
 Ambient Air Level Monitoring Data for Beawar-Gomti Road Project  
 Ambient Noise Level Monitoring Data for Beawar-Gomti Road Project (in dB (A))  
 Water Analysis Report for Beawar-Gomti Road Project  
 Summary of Airport Classification  
 Acts Governing the Airport Sector  
 Policies Influencing Airport Sector  
 GHG Emissions by the Aviation Sector in 2007 (thousand tonnes)  
 Ambient Noise Standards  
 Permissible Noise Level at DIAL  
 NAAQS for Residential Areas

### List of Figures

GHG Emissions from Infrastructure Sectors (million tonnes of CO<sub>2</sub> equivalent)  
 GHG Emissions by the Mining Industry (in million tonnes of CO<sub>2</sub> equivalent)  
 GHG Emissions by the Transport sector (million tonnes of CO<sub>2</sub> equivalent)  
 Growth in Utility Generation Capacity  
 Growth in Utility Generation  
 Fuel Mix for Power Sector (March 2010) (%)  
 Fuel Mix for Power Sector (March 2000) (%)  
 Share of Generation by Fuel  
 Process of Obtaining Environmental Clearance for Category 'A' Power Projects  
 Process of Obtaining Environmental Clearance for Category 'B' Power Projects  
 Institutional Framework of Mining Sector in India  
 Process of Obtaining Environmental Clearance for Category 'A' Mining Projects  
 Process of Obtaining Environmental Clearance for Category 'B' Mining Projects  
 Institutional Framework of the Indian Port Sector  
 Capacity Utilisation at Major Ports during 2005-10  
 Process of Obtaining Environmental Clearance for Category 'A' Port Projects  
 Process of Obtaining Environmental Clearance for Category 'B' Port Projects  
 Process of Obtaining Environmental Clearance for Category 'A' Oil and Gas Projects  
 Process of Obtaining Environmental Clearance for Category 'A' Road Projects  
 Process of Obtaining Environmental Clearance for Category 'B' Road Projects  
 Process of Obtaining Environmental Clearance for Category 'A' Airport Projects

**“Environmental Management in Infrastructure” Report Order Form**

I would like to purchase the “Environmental Management in Infrastructure” report for Rs 40,000.

I am enclosing a cheque/demand draft for Rs. \_\_\_\_\_, vide cheque/demand draft no. \_\_\_\_\_ drawn on \_\_\_\_\_ dated \_\_\_\_\_ in favour of "India Infrastructure Publishing Pvt. Ltd."

Signature

Name (Block Letters) \_\_\_\_\_

Designation \_\_\_\_\_

Company \_\_\_\_\_

Mailing Address \_\_\_\_\_

Telephone \_\_\_\_\_

Mobile \_\_\_\_\_

Fax \_\_\_\_\_

E-mail \_\_\_\_\_

**Wire transfer details:**

Beneficiary	<b>India Infrastructure Publishing Pvt. Ltd.</b>
Bank Name	<b>The Royal Bank of Scotland N.V.</b>
Address	<b>M-6, Hauz Khas, New Delhi 110016, India</b>
Account No.	<b>1050338</b>
Swift Code:	<b>ABNAINBBDEL</b>
IFSC Code:	<b>ABNA0100327</b>

**Contact details:**

**Jaya**  
**Assistant Manager, Information Products**  
**India Infrastructure Publishing Pvt. Ltd.**  
**B-17, Qutab Institutional Area, New Delhi 110016**
