

“Power in India” Report

Table of Contents

I. Executive Summary	
II. History of Power Sector in India	
III. State of the Sector	
• Size and Growth	• Size and Growth
• Industry Structure	• Distribution System and Network
• Key Players	• Key Customer Segments
• Key Customer Segments	• Key Players
• Revenues and Profitabilities	• Key Trends and Developments
• Key Trends	• Goals and Plans
• Key Issues and Concerns	• Key Government Initiatives (APDRP, etc.)
• Future Outlook	• Issues and Concerns
IV. Generation	IX. Rural Electrification
• Short Historical View	• Overview
• Size and Growth	• Rajeev Gandhi Grameen Vidyutikaran Yojana
• Key Segments	• Targets and Actual Progress
- Producer Type (Utility, IPP, Captive, etc.)	• Issues and Concerns
- Fuel Type (Coal, Hydro, Gas, Nuclear, Renewable, etc.)	X. Private Participation
• Key Players	• Policy Framework
• Key Trends and Developments	• Generation: Role and Experience So Far
• Goals and Plans	• Transmission: Role and Experience So Far
• Key Government Initiatives	• Distribution: Role and Experience So Far
• Issues and Concerns	• Key Issues and Concerns
V. Captive Power	XI. Financing
• Overview	• Power Finance Basics
• Current Capacity	• Sources of Finances
• By Fuel	• Major Lenders
• By Industry	• Recent Financings
• By Size	• Financing Issues and Concerns
• By State	XII. Policy Framework
• Policy Update	• Short Historical View
VI. Renewable Energy	• Key Acts and Laws
• Overview	• Electricity Act, 2003
• Potential and Actual Capacity	• National Electricity Policy
• Plans and Priorities	• Forthcoming Policies
• Major Issues	XIII. Reforms and Restructuring
• Policy Environment	• Overview
• Wind Power	• State-by-State Progress
• Small Hydro Power	XIV. Regulation
• Solar Energy	• Introduction
• Biomass	• Historical View
VII. Transmission	• Regulation at Interstate Level
• Short Historical View	• Regulation at Intrastate Level
• Size and Growth	• Regulatory Gains
• Key Segments	• Regulatory Issues and Concerns
- Interstate Transmission	XV. Major Players
- Intrastate Transmission	• Short Profiles of:
• Network Operations and Load Despatch	- Key National Players (NTPC, Power Grid, NHPC, PTC, etc.)
• Key Players	- SEBs and Successor Units (Gencos, Transcos and Discoms)
• Key Trends and Developments	- Private Utilities (CESC, SEC, AEC, etc.)
• Goals and Plans	- Private Producers (GVK, GMR, JP Hydro, etc.)
• Key Government Initiatives (National Grid, etc.)	XVI. Appendix
• Issues and Concerns	• Key Data and Statistics
VIII. Distribution	
• Short Historical View
