

NEWS BRIEFS 6

SPECIAL STORIES

Major relief 14

Government allows pass-through of costs incurred by TPPs for emission control equipment

Optimising coal transportation 18

Ministry releases methodology for linkage rationalisation for IPPs

New payment app 22

MoP launches PRAAPTI to track discom dues

COMPANIES

Coal India Limited 24

Enhancing production, availability and quality

“The future of the T&D market in India is promising” 27

Interview with GE T&D India’s Sunil Wadhwa

FINANCE

Seeking a reprieve 29

Sector looks for a resolution for its stressed assets as RBI deadline approaches

Financial briefs 31

INFOCUS: TRANSMISSION INFRASTRUCTURE

Capacity building 34

Key trends and growth drivers in the transmission infrastructure segment

Transmission tower trends 36

Evolving design, testing, installation and surveying techniques

Cables and conductors 40

New technologies for minimising RoW issues and increasing power flow

Reactive power compensation 44

Key element of upcoming transmission infrastructure for voltage stabilisation

FORUM

Significant reform 48

Draft amendments to National Tariff Policy 2016 elicit both support and concern

Interview with Anil Sardana 52

“Managing growth and consolidation will remain our top priority”

Seeking a solution 54

Value unlocking options for stressed conventional and renewable power assets

Far-reaching effects 56

Draft amendments to captive generation plant rules

SPECIAL SECTION: SUBSTATIONS AND SWITCHGEAR

Market trends 60

Growing demand for advanced substation and switchgear solutions

Switchgear technology 62

Key trends and developments

Towards higher voltages 66

Rising switchgear demand from HV and UHV segments

Going digital 68

Utilities aim for greater interoperability in substations

SPECIAL SECTION: ASH MANAGEMENT AND HANDLING

Sustainable ash utilisation 72

Government steps up efforts to improve sector's carbon footprint

Effective disposal 76

Technologies for ash handling and water recovery

Diverse applications 80

Effective utilisation of fly ash across industries

Key statistics 82

Utility-wise fly ash generation and utilisation for 2016-17

FOCUS ON REGULATION

Preparing the ground 84

CERC releases consultation paper on regulations for the next tariff period

COMPANY RELEASE 87

INDUSTRIAL POWER: POWER TRADING

Cost optimisation 88

Growing number of industrial consumers turn to short-term power trading

SMART GRIDS

Growth engine 92

Building smart grids for smart cities
