Tariff transparency

Draft regulations aim for greater visibility but concerns remain

26
Strong performer

Maharashtra registers impressive growth across renewable verticals

32
JNNSM bid results

Implications of low tariff discovery for Batch II projects

50
Spotlight

Thin film technology

36
Interview with Dr F. Abdullah

"Renewable power is the future of the energy sector"

61
Nordic wind integration

Efforts to improve long-term energy security

CONTENTS

- NEWS BRIEFS** 4
- TRENDS AND DEVELOPMENTS**
 - Tariff transparency: Draft regulations aim for greater visibility but concerns remain 12
 - Mapping the solar potential: MNRE initiative to create a national insolation database 16
 - Solar foray: Green Infra commissions 10 MW plant in Gujarat 20
- COMPANIES**
 - Siemens India: Emerging player in wind and solar equipment space 22
 - Ankur Scientific Energy Technologies: Company focuses on growth through R&D 24
- STATE FOCUS**
 - Strong performer: Maharashtra registers impressive growth across renewable verticals 26

- UP & COMING**
 - A promising start 30
- PERSPECTIVE**
 - JNNSM bid results: Implications of low tariff discovery for Batch II projects 32
 - Interview with Dr Farooq Abdullah: "Renewable power is the future of the energy sector" 36
 - Case for CSP: Expected improvement in cost economics to drive future growth 38
 - Wind turbine certification: Meeting technical integrity and safety requirements 42
 - The PID effect: Power loss in solar PV modules 46
- FINANCE**
 - PE funding: Preferred financing route for renewable energy start-ups 48
- SPOTLIGHT: THIN FILM TECHNOLOGY**
 - Growing footprint: Thin film dominates domestic 50

- solar installations
 - Dye-sensitised solar cells: Research focus on higher efficiency and stability 54
 - Progress in R&D: Global initiatives aim for performance improvements 56
- WORLD VIEW**
 - Priority transmission projects: EU focuses on building a single energy market 58
 - Nordic wind integration: Efforts to improve long-term energy security 61
- PRODUCT RELEASE**
 - New products in the market 63
- PROJECT WATCH**
 - Progress update: Plants of 1 MW and above capacity 64
- PHOTOGALLERY**
 - Sector snapshots 66

- PEOPLE**
 - Rajesh Katyal, Centre for Wind Energy Technology 68
 - Srinivas Karra, IDFC 68
 - Dr N.R.N. Reddy, Hetero Wind Power Limited, Hyderabad 69
 - Seema Arora, CII-ITC Centre of Excellence for Sustainable Development 69
- DATA AND STATISTICS**
 - Biogas plants: Family-type units installed under the NBMMP during the Eleventh Plan 70
- EVENT WATCH**
 - Upcoming events 72
